CLAY FIRED WURKSTATION

Includes a Wood Cutting Board, Colander, Drying Rack, Bottom Grid & Strainer

Sink Doctor

CW-MOD-33WURK

Crestwood Fireclay 33″ Modern Single Bowl Wurkstation Smooth Apron Fireclay Sink

MATERIAL: Fireclay

DIMENSIONS: 33” x 19” O.D. x 10” D.

INSTALLATION TYPE: Undermount

SINK BOWL CONFIGURATION: Single Bowl

COLOR: White

FEATURES:

- **HARDWOOD CUTTING BOARD**
  Sized to sit on the Wurkstation ledge — chop, slice, and dice right over the sink on a heavy-duty cutting board made from Sapele hardwood, highly resistant to bacteria and not prone to cracking or warping.
- **STAINLESS STEEL COLANDER**
  Designed to sit on the integrated ledge of your Wurkstation sink, wash produce, drip-dry dishes, and protect your kitchen counters from hot cookware with this multipurpose basket made from heavy-duty stainless steel.
- **ROLL-UP DISH DRYING RACK**
  Ideal as a drying rack. Constructed of stainless steel bars and a flexible silicone frame allowing you to fold it or roll it up tightly for storage. Stainless steel bars make it hygienic and easy to clean. Strong enough to hold dishes or pots and pans. Dishwasher safe.
- **STAINLESS STEEL BOTTOM GRID + STAINLESS STRAINER**
  Stainless steel bottom grid with soft bumpers protects the bottom of your sink from scratches and dents, and elevate dishes for better draining. Premium stainless steel strainer included completing the Wurkstation package.

Built For Kitchens That Wurk!
