ABOUT THE SINK

The modern home chefs sink of choice. Bring the professional kitchen home with this inspired full-service prep station, built for convenience. Enjoy the premium stainless steel colander, bamboo cutting board, and accessory kit that fully integrates with the ledge of the sink. The included stainless steel bottom grid protects your sink surface and keeps dishes elevated for optimal draining, and the decorative drain cover conceals drain assembly and garbage disposal for a seamless look. Made with real 16-gauge stainless steel, this kitchen sink is one of the toughest and most durable sinks on the market. The modern look and functionality make this sink an instance choice for today's home chef.
