

LP-750 WORKSTATION

DUAL-MOUNT QUARTZ SINK

+ ACCESSORY PACKAGE

LP-750 WORKSTATION:

DUAL-MOUNT QUARTZ SINK + ACCESSORY PACKAGE

WHAT MAKES A LEXICON WORKSTATION UNIQUE? - IT'S DUAL UNDERMOUNT & TOPMOUNT OPTIONS!

The Lexicon LP-750TM (33" x 22" x 9-1/2" D.) Workstation single bowl quartz sink showcases modern design and includes a stylish accessory package. Features include extra deep 9-1/2" bowl, sleek corner radiuses for easy cleaning, and offset drain placement for additional under counter space. The industry standard 33"x22" deck makes this model an ideal choice for kitchen remodeling applications. It includes one faucet hole, plus four predrilled knockouts which are ideal for traditional drop-in installations. This sink can also be undermounted.

ACCESSORY PACKAGE INCLUDES:

- Color Matched Strainer Basket
- Color Matched Disposal Flange
- Precision Fit Stainless Steel Sink Grid Set
- Stainless Steel Rollup Drain Mat
- Premium Sapele Wood Cutting Board
